Sir:

TRANSMITTAL LETTER: RESUBMITTAL OF INFORMATION
DISCLOSURE STATEMENT

According to our records, the documents submitted with the Information Disclosure Statement received by the U.S. Patent and Trademark Office on October 19, 2001, have not been considered by the Examiner. Applicant respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form. Applicant encloses copies of the Information Disclosure Statement, 1449 form, and return-receipt postcard originally mailed to the U.S. Patent and Trademark Office on October 17, 2001, in the above-referenced application. The postcard reflects the stamp of the Office of Initial Patent Examination with the date of receipt of October 19, 2001.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicant determines that the cited documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Applicant believes that no fee is due since this is a resubmission of papers received by the Office on October 19, 2001, which was prior to the mailing a first Office Action on the merits in accordance with 37 C.F.R. 1.97(b). However, if there is any fee due in connection with this transmittal, please charge the fee to Deposit Account 06-0916.

Respectfully submitted,
